

5th Annual Charity Fundraiser

Greetings!

Would you be willing to donate a gift card to support The Caring Center's Fifth Annual Fundraiser?

The Caring Center's mission is to stabilize families in crisis and move those caught in poverty towards self-sufficiency. They help families and individuals living in generational and situational poverty and those who are food insecure. Services that are available at The Caring Center include: a food bank, clothing, personal care items, household items, furniture, transitional housing, community gardens, cooking clubs, table talks, life skills classes, and more!

Five years ago, The Caring Center hosted their 1st Annual Fundraiser. Thousands of dollars have been raised to benefit the people right here in our communities. This year, they will host a Casino Night on Saturday, February 9th at The Cardinal Room at the Golf Club of Indiana. **The Caring Center is dependent on donors to make this a fun and successful event!**

We request that gift cards have a value between \$25.00-\$500.00 and should be submitted no later than Friday, January 25, 2019.

Gift cards will be purchased by Gala attendees for personal use and all proceeds will benefit The Caring Center directly. Gift card ideas include: restaurants, movies, golf, movies, etc.
